

Central Valley Indian Health, Inc. - Prather

Executive Summary

Summarizes the Site, Parking, Facility Size, Staff and Contract Health Dollars necessary for the Service Delivery Plan in 2015. Identifies the Direct Care Services Offered to include highlighting any new services. Identifies the communities and population served for each service. The second page of the Executive Summary documents the priority resource issues as identified through the Master Planning process.

Historical Utilization by Location of Encounter

Documents 3 years of RPMS and contract care workloads provided at the facility predominantly serving the Primary Care Service Area by product line and specialty.

Historical Utilization by Community of Residence

Documents 3 years of RPMS and contract care workloads provided to the user population of the Service Delivery Area by product line and specialty.

Market Assessment

Compares the Historical Workload to the Health System Planning software and to national averages of patient care utilization, projecting future workloads based upon the worst case of these three planning scenarios. Also documents the percentage of care that will require contracting due to acuity and the quantity of care that can potentially be served by the direct care system.

Service Delivery Plan

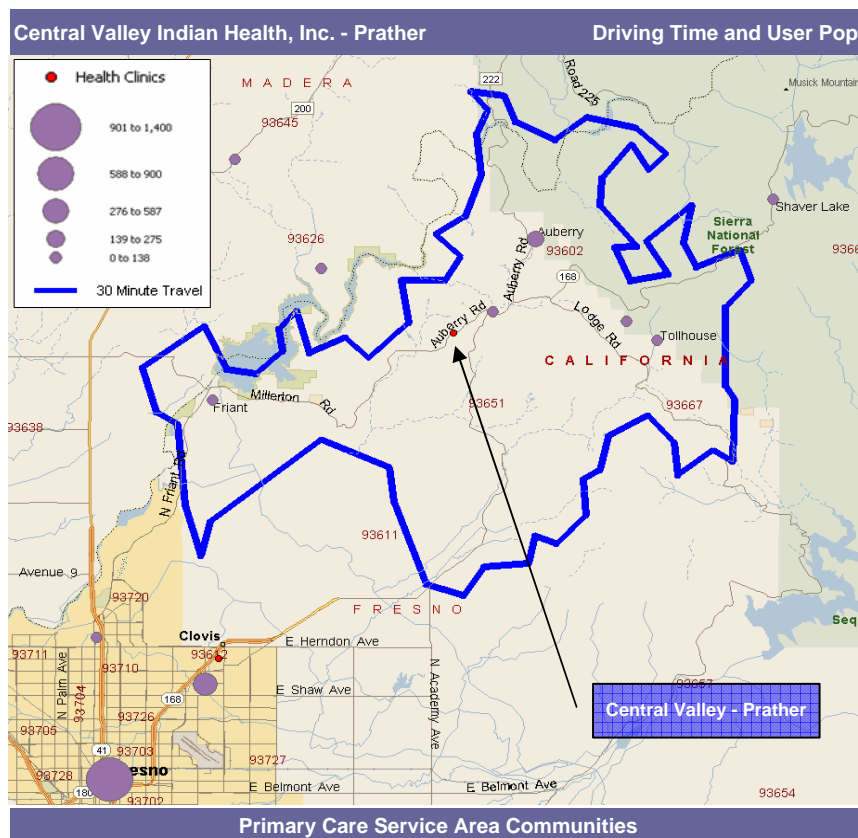

Recommended service delivery plan by product line based upon projected workload, key characteristics, patient classification and tribal and IHS input.

Resource Allocation

Quantifies the necessary space and key characteristics for the Service Delivery Plan and compares them against existing resources. Also tabulates necessary contract health dollars based on the delivery plan.

Executive Summary

Service Area Description

The Central Valley Indian Health Center in Prather, serving the Primary Care Service Area Communities listed to the left, is located in the city of Prather, California approximately 22 miles North East of the Clovis clinic.

As part of the Central Valley Service Unit, it is a satellite clinic offering primary and dental care for Native Americans in Fresno County. It sends most of its referral workload to Clovis. The closest alternative care options can be found at Clovis Community Hospital (Primary & Secondary Care) and Fresno Community Hospital (Tertiary Care). Nursing Home care is available at Wish-e-ah Nursing Home.

As noted in the Service Summary to the left, The Prather Clinic plans to operate as a 40 hour per week Health Center with complete primary care services and dental services. Additional services such as CHR's Diabetes, WIC, and Transportation are also provided.

Facility Description

The Prather Facility, is part of a permanent structure. The entire structure is approximately 240 SM, originally opened in 1995.
